

Sarah Leonard

Sarah Gayle Leonard joins our team through VTVCare, after her Mother was murdered in the Virginia Beach 5/31 Municipal Massacre. She is a proud Virginian, Mother, and graduate of Longwood University. She believes “public service never dies” and is deeply committed to helping pass Mass Violence Care Funds across the country. She’s seen rock bottom in her recovery journey and wants to rescue others from it. Sarah is a strong advocate for mental health care and healing through artistic expression. She lives and works near Virginia Tech.
