

Paola Bautista

Paola Bautista is a wounded survivor of the Route 91 Harvest Festival mass shooting in Las Vegas on Oct. 1, 2017. She underwent two surgeries to remove the bullet from her arm and reconstruct her hand. She also endured two years of intensive physical therapy to be able to use her hand again. She is a student working towards becoming a master in a specific area of nutrition.

Paola was heavily engaged behind the scenes assisting in the Uvalde mass shooting, and has worked on more than 5 additional mass shootings, including the mass shootings in Allen, Texas and Fordyce, Arkansas.
